You Did It!

End of term newsletter: June 2025

Dear Parents,

We have come to the end of another academic year! Last week we said goodbye to our Primary 7 pupils. We wish them all the very best as they start their new schools and we hope to hear how they are getting on! We will miss them!

We now look forward to the roles and responsibilities that our new Primary 7 pupils will take on - some of these have already been announced but many roles have yet to be decided for our current Primary 6 year group.

This year, we are saying goodbye to Mrs Love, who has been a loyal and accomplished Primary 1 classroom assistant for many years. We thank her for her many years of service and wish her well for the future!

With goodbyes also come welcomes and we will be welcoming some additions to our non-teaching staff in the new term.

Parents will already have received information for the new term included in your child's annual report envelope. I hope that you now have all of the information you need for your child starting back to school.

After this Friday, the school office will be closed so staff will not pick up any messages after this time. I will be in touch with you all close to the beginning of term. Please use my email address if you need to get in touch urgently.

Can I say a final well done to all of our boys and girls for the work they have put in this year and to parents for the support you have given them. I would also like to thank my teaching staff and my support staff for providing for the boys and girls. I know how hard they work and that much of this work is often unseen by the world outside our school walls.

For the next academic year, we do have a small number of school places still available in P3 - P7 if you know anyone moving to the area.

That leaves me to wish all of our families a lovely summer break filled with fun and happy memories made!

Mrs J Miller
